Lighthouse:

Paint white and let dry. Paint the red and grey surfaces on the lighthouse. If desired use tape. Decorate the lighthouse by adding some white stripes on the red surfaces, paint a little window or glue a piece of jute cord on the lighthouse with a glue gun.

Boat:

Paint the bottom of the boat and let dry. To create the two little lines, use the deco marker. Put the sailcloth on your canvas and draw its shape and cut out. Apply some acrylic paint on the canvas; paint completely, create stripes or just add some detail on the side... it's up to you. If desired.. stamp an images of your choice with some paint. Attention clean you stamp immediately. Glue the pieces of canvas on the MDF shape with for example "Tacky glue".

Anchor:

Paint the anchor white and let dry. Apply the Cosmic Shimmer Glitter Kiss

Fish:

Paint the fish blue and let dry. Create the eye by applying white paint and then some black paint. To create the fish scales use some black paint. Tip: Use a embossing tool to dry faster or use a Black decomarker.

Round disc:

Apply some acrylic paint and let dry (attention: don't paint the notches) Glue the jute cord around the disc with a glue gun.

Beachhouse:

Paint the house turquoise and let dry. Paint the roof brown and let dry. For an extra wooden effect create some woodlines by applying some paint diluted with some water on the sides of your flat brush and draw the lines one by one. It's up to you how far apart the lines are by using a small or wide flat brush. Cut some flags from the cork fabric and glue them on a string and attach on the beach house.

Signpost:

Paint with a color of your choice. Use a decomarker to create the text.

Flamingo:

Apply the pink paint and let dry. Use the Neon Sizzling Pink on the sides.

Round disc:

Apply some Texture Sand Paste on the disc with a spatula or hard brush and let dry. Add some color of your choice. Attach some ribbon with a glue gun.

Apply the white chalky paint somewhat sloppy on the MDF sign and let dry. Do the same thing with the acrylic paint and let dry again. Finally apply a new layer of diluted white paint and let dry. Sand the sign.

Place the template on the sign and stencil the word "Happy" with white paint. Let dry and stencil the word again with the Sizzling Pink. For an extra effect use a white decomarker on the sides.

The text "this is my happy place" is writing with a white decomarker.

The arrow is painted by hand with some white acrylic paint. Decorate the arrow with stripes and dots by using an embossing tool, small brush or decomarker.
